

## **Patient Consent to SMS Invitations**

- By scheduling a Teleappointment with The Women's Center of Northwest Indiana, you are giving consent to receive SMS messages from the named provider. Data and messaging rates may apply to each message sent.
  - Opt-out instructions and support if needed:
    - "Reply STOP to opt out"
    - "Reply HELP for help"
  
- Provider may not send any health information that could be considered PHI (as defined by HIPAA) in the message.
